HILLSMACHINERY.COM/RENTAL

Smart businesses know that equipment rental is a critical strategy in optimizing job costs and profitability.

We believe:

Our fleet is your fleet.

We offer the same world-class brands in our rental fleet as we do in our equipment sales lineup.

Our people are your people.

We deliver extensive support and service to make sure you achieve excellent uptime.

Our attachments are your attachments.

We understand the importance of versatility in the equipment you rent — we can add value to every equipment rental with a variety of proven attachments.

Your business is our business.

We understand the importance a good rental strategy plays in your fleet. Rent by the week, month or season – or ask about our flexible rent-to-own options.

We're here to help grow your business intelligently.
